I am self-starter with strong interpersonal skills. I work efficiently both as an as individual contributor as well as along with a team. I seek new challenges and try to think out-of-the-box while looking for creative solutions to a given problem. Besides the details given in my resume, I believe in character, value, vision, and action. I am a quick learner and believe in learning from my mistakes for, I strongly feel that this virtue will take me ahead in life and career.
